

ASTEER Members:

An ASTEE Dinner is being held at the AAFS meeting in Atlanta. The Dinner is being sponsored by ASTEE along with CRAIC Technologies, Gateway Analytical and Foster and Freeman.

This dinner will be **open to current ASTEE members only and its sponsors**. We will need to check membership at the door. If you have co-workers that have not joined ASTEE this is the time to tell them to get their membership application and fees submitted to immediately benefit from this great event.

The **dinner will be Thursday, 23 February** at Max Lager's Wood Fired Grill & Brewery, 320 Peachtree St, Atlanta, GA 30308. [www.maxlagers.com](http://www.maxlagers.com). Max Lager's is within walking distance of the AAFS recommended hotels. Our reservations are from **7:00 PM to 10:00 PM**. There will be a 3 hour wine and stein and the buffet will include chopped green salad, rosemary chicken, Max beef tenderloin, seasonal vegetables, herb new potatoes, and cheesecake for desert.

During the dinner, we will also announce our 2012 Edmond Locard Award for Excellence and the ASTEE Scholarship Award recipients.

If you will be able to attend, **please RSVP by Wednesday, February 15** to this email ([asteetrace@gmail.com](mailto:asteetrace@gmail.com)), so that we can plan accordingly for the size of our group.

Hope to see you there!
